MARGIN

Intra-day margins are half initial or overnight margin requirement. Each day, 15 Minutes before the close of FuturesBetting.com trading sessions, margin requirements will be deemed to be overnight.

Margin on spreads and butterfly's will be treated as half the margin requirement of the equivalent outright.

Intra market spreads will be margined on the higher outright side.

Cross market spreads will be margined as individual outrights

e.g.:		e.g.:	
Market	Bobl	Market	Short Sterling 1x1 spread
A/c Balance	€24,000	A/c Balance	£12,000
Initial Margin per lot	€1,200	Initial Margin per lot	£125
Lots overnight	20	Lots overnight	96
Lots intra-day	40	Lots intra-day	192
e.g.:		e.g.:	
Market	10yr note/5yr note intra market	Market	Gilt/Bund cross market
A/c Balance	1x2 spread	A/c Balance	7x10 ratio spread
Initial Margin per lot	\$33,000	Initial Margin per lot	£20,000
Lots overnight	\$1,620	Lots overnight	£1,600
Lots intra-day	10x20	Lots intra-day	7x10
	20x40		14x20

Please note these are examples only. Margins and ratios are subject to change.
